NEW!! Parent Portal and Pay Online!

You will be receiving an email in the next couple of days with a link to our Parent Portal via DanceStudio-Pro. Within this portal you will be able to pay your bill, check schedules, add/change contact or medical information and so much more! We thank you for your patience so far this season in getting this new software and system up and running. We haven't worked out all the kinks but we are getting there. Here is the web address to the new parent portal!

From COACH STEPFANIE :

As many of you know, I'm one of the twirling instructors here at Pizzazz. I am looking to my Pizzazz family for some help with a fundraiser for an organization very near to my heart. The Arthritis Foundation is the leading nonprofit organization dedicated to the prevention, control and cure of arthritis in the United States. Each year, the Arthritis Foundation holds numerous events to raise money and awareness for their cause. One event held in Cleveland is the Jingle Bell Run. This run is being held on December 11, 2016 in Lyndhurst, OH. I am participating in the 5k for the second year!

The Arthritis Foundation is important to me because I was diagnosed with Rheumatoid Arthritis at the age of 22nd. For 5 years, I've been doing everything I can to manage symptoms and prevent damage through medication as well as any natural measures I can also take in my life. I'm asking for your support in the form of a donation. At the studio, I have placed a stack of cards that you can purchase for \$1 each. Please write your name on the card and we will hang your card to show your support of the Arthritis Foundation! You can give your instructor your \$1 donation and she will take care of getting you the card to complete.
