### JORDAN SALADONIS SCHOLARSHIP RECIPIENT:

We want to thank all of you who turned in the Jordan Saladonis Scholarship Application. We received amazing essays on what being part of the Pizzazz family means. At random, we chose one application as the winner--- CONGRATULATIONS AMANDA DOUZOS!! Her essay is attached to this newsletter. If you turned in an application and were not chosen please note you do not have to fill out another application. All applications are kept in the contest until they are randomly chosen. For those that did not turn one in yet.....applications can be turned in at any time!

### NEW!! Parent Portal and Pay Online!

Please note, we have implemented a nominal convenience fee when paying by credit card either online or in the studio. We have decided to split the charge so that we are paying some and the card holder is paying some. We want to keep our per class costs as low as we can instead of hiding those expenses in the cost of the class. Paying with your credit card is a convenience and certainly not required. Here is the web address to the new parent portal! Please let me know your thoughts on our new system!
